7.4 AMERICANS WITH DISABILITIES (ADA)

Accessibility of Facilities, Programs, and Services  
Students who require accommodation in facilities, services, programs or activities should contact the Assistant Director for Disabled Student Services to arrange an individual assistance plan. Accommodations may include classroom accessibility, modified computer equipment, handicap parking, assistance with note taking, sign language interpreting services, class materials in alternate format, library and laboratory assistance, and other accommodations. Determination of appropriate accommodations to be provided will be based upon documentation of the disability.

Members of the public who require specific accommodations in facilities, services, programs or activities may contact the library at least five days in advance to arrange individual accommodations.

Please contact the Sturgis Library Information Desk for information and accommodations: (770) 423-6202.

(Magnets from the library security gates may interfere with pacemakers.)
