Did you know that the KSU Library System provides carefully curated research guides for all your research needs? These subject specific guides can assist you in the research process and point you in the right direction toward databases and resources specific to your research topic. To learn more about these research guides, and to start researching, check out library.kennesaw.edu for more.

**Library Employee Spotlight**

Several of our library faculty and staff are pursuing secondary degrees! We celebrate your hard work as you continue your education and get one step closer to your personal and academic goals! Here are two KSU Library System employees who are working on their degrees:

**Leslie Drost, First-Year Experience Librarian**
Master of Instructional Design and Technology, Georgia State University

**Rachel Schrauben Yeates, Institutional Repository Specialist**
Master of Professional Writing, Kennesaw State University

*Keep up the hard work!*

**Research Guides**
